## Evaluation Criteria 5: Cost Effectiveness

### Budget summary

Please provide an indicative summary budget here. Specify the costs per activities and per partners and distinguish between the total costs and what you request from REACH (the difference between total costs and requested contribution are your in-kind contributions or third party funding). A letter of commitment from any third parties involved must support any third party funding.

Please use the indicated budget lines for the activity budget. If your salary costs do not include overheads, specify them in the respective budget line. REACH may require financial audits. All budgets should be in pound sterling (GBP).
